Dear Sir,

New Age Education and Skills Foundation (NAESF), is a not-for-profit organization that has been incorporated as a Section-8 company under the Companies Act, 2013 on 17 January 2023 with the registration number U80902GJ2023NPL138476.

NAESF is submitting an application to the University Grants Commission (UGC) to obtain the status of Deemed-to-be University under the 'Distinct Category' proposed as 'New Age Makers' Institute of Technology (NAMTECH)' in accordance with the UGC (Deemed to be Universities) Regulations, 2023.

The proposed institute will operate as **an unaided institution, without full or partial financial support from the State or Central Government**. Therefore, it does not need to obtain an NOC from the State or Central Government, as outlined in the UGC Regulations, nor does it have any letter of commitment from the government regarding financial assistance. Please process our application for Deemed to be University accordingly.

Thanking you!

Yours Sincerely,
